Application No.: 10/521,566 Examiner: HORNING, Joel G.
Filed: January 18, 2005 Conf.: 9005

LETTER REQUESTING INITIALED PTO 1449 FORM

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In reviewing the above-captioned application file, the undersigned has noted that even though the Examiner initialed the PTO Form 1449 filed on January 18, 2005, there is a line struck through the foreign references. This makes it unclear as to whether consideration was given or not. As noted in the Information Disclosure Statement, those references were not provided because they were previously cited by or submitted to the Office in a prior application number PCT/SE2003/001063, filed on June 23, 2003. For the convenience of the Examiner, a copy of the Foreign references listed on the PTO-1449 form of January 18, 2005 are attached hereto.

The Patent and Trademark Office therefore is requested to return the initialed form) without the strike-through lines to the undersigned as soon as possible.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §1.16 or under 37 C.F.R. §1.17; particularly, extension of time fees.

Respectfully submitted,
